

Ceramica Vitreous Tile Cleaner

Ceramica tile cleaner is a high powered cleaner designed to meet the special needs associated with ceramic tiles, slate and quarry tiles. Ceramica is easily applied via a mop and bucket or through an autoscrubber to clean and leave a fresh lingering ocean fragrance.

Features and Benefits

- A high powered cleaner designed to meet the special cleaning needs associated with ceramic tiles, slate and clay pavers.
- Low foam formulation designed for use through autoscrubbers.
- Pleasant residual fragrance.
- Effective on a wide variety of surface and soil types.
