

# Drive Advance Enzyme Power Concentrate

Drive Advanced Enzyme Power Concentrate with double action enzymes gives unbeatable stain removal in hot or cold water

All the performance of **Drive Advanced Enzyme Power Concentrate** powder in a concentrated formulation

## Features and Benefits

- Drive Advanced Enzyme Power concentrated formula means you use less powder per wash than conventional powders
- Drive Advance Enzyme Power Concentrates 3 way cleaning action with enzymes gives unbeatable stain removal in all water temperatures.
- Soaking in Drive Advanced Enzyme Power Concentrate solutions will remove stains before they become permanent.
- Food soil, body soils, and general soils are all removed without damage to the fabrics.
- Drive Advanced Enzyme Power Concentrate's built-in deodorants remove even the most persistent odours.
- Drive Advanced Enzyme Power Concentrate can be used on a wide range of fabrics including cotton, polycotton and delicate synthetics.

The surfactants in Drive Advanced Enzyme Power Concentrate are biodegradable to Australian Standard AS4351

## Product Usage

### Suitable for:

The Professional user in hotels, nursing and residential homes, catering and leisure establishments for outstanding wash results.

### How to Use

Typical Wash Process with Drive Advanced Enzyme Power Concentrate

| Launderette Applications | Light Soiling | Heavy Soiling |
|--------------------------|---------------|---------------|
| Top Loading Automatics   | 1 scoop       | 1 ½ scoop     |
| Pre- Wash Soaking        | ½ scoop       | ¾ scoop       |

Note: These amounts may need to be altered depending on temperature, soiling or machine type.

- Persil Professional High Performance Powder 6kg & 12.5kg
- Surf Concentrate Ocean Fresh 6kg & 12.5kg and Lemon Fresh 12.5kg
- Surf Liquid Lemon Fresh 5L
- Comfort Professional Fabric Conditioner 5L
- Huggie Professional Fabric Conditioner 5L
- Softly Premium Wool Wash 5L

**For Best Results:**

- Always check the garment care label.
- Sort your wash into whites, light colours and dark colours and then by fabric groups.
- Never overload the machine as this can cause a poor wash, damage to garments and ultimately damage the machine.
- Always use the correct amount of detergent, as too little can cause build up of grease, dirt and hard water salts that can damage your machine and too much is uneconomical.
- For best results use in conjunction with Comfort Fabric Conditioner for deep down softness.

**NB: DO NOT SOAK wool, silk, leather, flame resistant finishes, articles with metal trims or non-colourfast articles.**
