## Handcare

Enhance hand soap eliminates leftover pieces of soap and the messy, unsightly residue left in basins or in soap dishes.

### Features and Benefits

- Enhance is lotionised and has added glycerine to protect the skin.
- Enhance is available through both captive and non captive dispensing systems.

### Product Usage

Directions for Use:

Enhance can be used directly from the container or via a non captive soap dispenser.

1. Wet hands
2. Apply Enhance hand soap.
3. Work in thoroughly over heavily soiled areas using a nail brush if required.
4. Rinse off in fresh water.
5. Dry hands completely to help preventing chapping.
