Peach Blossom

Antiseptic - Disinfectant

Jeyes Peach Blossom is a proven and dependable disinfectant.

Features and Benefits

- Jeyes Peach Blossom is an economical and effective disinfectant for all washable surfaces.
- Jeyes Peach Blossom leaves a pleasant, fresh, floral fragrance.
- Jeyes Peach Blossom is a readily biodegradable surfactant, thus making it environmentally friendly.

Product Usage

How to use Jeyes Peach Blossom

- For general purpose disinfecting: Dilute 1 part of Jeyes Peach Blossom to 60 parts of water (approximately 150mls, or 2/3 cup of Jeyes Peach Blossom to a bucket of water).
- For heavy duty disinfecting of Drains, Sink Traps, Toilets, etceteras: Use undiluted.
- For Personal Hygiene/Bathing: For a refreshing and hygienic bath, use 1-2 tablespoons of disinfectant.

NOTE: The disinfecting power of Jeyes Peach Blossom may be reduced in the presence of other soaps and disinfectants.

Approvals

MAF Approved C32 (Fish Game Meat)

For further information on safe handling and storage, consult the Material Safety Data Sheet.
