

Jif Cream

For a Deep Down Clean

Jif Cream Cleaner is a versatile creamy formula that cleans deep down to bring your surfaces back to life.

Features and Benefits

- Jif Cream's powerful formulation is tough on stains such as tannin, dried on foods, soap scum and body fats.
- Jif Cream will not scratch or damage sensitive surfaces - even worn enamel.
- Jif Cream is cost effective and suitable for professional users.
- Jif Cream is available in two variants Regular and Lemon.
- The surfactants in Jif Cream are fully biodegradable to AS4351.

Product Usage

How to use Jif Cream

Apply using a soft damp cloth, then wipe clean and rinse. Firmly close cap after use. Always confirm surface suitability before use. Avoid prolonged rubbing in one spot.

Environmental Information

The container is recyclable. The Surfactants in Jif are readily biodegradable according to Australian Standard AS 4351
