Knight's Castile

Perfumed & Unperfumed soap

Knight's Castile is a mild and gentle soap.

Features and Benefits

- Knight's Castile is suitable for everyone in the family because of its mild formulation.
- Knight's Castile is mild enough for use on babies delicate skin.
- Knight's Castile is available in Original Perfumed (with lanolin), or Unperfumed (contains moisturisers).
- Knight's Castile is available in a large pack size (25 unwrapped soap tablets per pack), which ensures good value.

Product Usage

How to use Knight's Castile

1. Wet soap and lather over face, hands and body as required. Rinse well.

For further information on safe handling and storage, consult the Material Safety Data Sheet.
