## MR MUSCLE Professional Oven and Grill Cleaner

Power Cleans Fast

**Mr Muscle Professional Oven and Grill Cleaner** is a liquid cleaner for ovens, grills and deep fryers.

### Features and Benefits

- Mr Muscle Professional Oven and Grill Cleaner is a highly viscous product, thus ensuring that it clings to vertical surfaces to effectively remove baked on grease and soil.
- Mr Muscle Professional Oven and Grill Cleaner is extremely versatile and can be used to remove baked on food and grease from ovens, grills, fryers and pans.
- The empty Mr Muscle Professional Oven and Grill Cleaner bottle is recyclable.

### Product Usage

#### How to use Mr Muscle Professional Oven and Grill Cleaner

Use a sprayer to apply Mr Muscle Oven and Grill Cleaner (avoid too fine a spray). Spray from a distance of 40 to 50cm, holding the spray gun at arm's length and well away from the face.

#### FOR USE IN OVENS:

Spray only on interior surfaces and racks in cool or warm oven, not over 90 degrees Celsius. Close door of warm oven for 5 to 10 minutes, 20 minutes for a cool oven. Wipe off grease with wet cloth. Preheat oven for 10 minutes before next use of oven.

#### FOR USE IN FLAT GRILLS:

Do not spray on hot grill. Spray product uniformly on grill surface. Allow product to work for 4 to 5 minutes. Wipe off grill with clean water and towel.

#### FOR USE IN DEEP FRYERS:

Drain and rinse with hot water to remove sediment. Spray product uniformly on interior surfaces; allow to soak for a few minutes. Use brush if necessary. Rinse with clean water to remove all residue. Wipe clean.

#### SPECIAL INSTRUCTIONS:

- Use undiluted.
- Apply to cool or warm oven or grill, not hot.
- Do not spray on painted surfaces, aluminium, copper, and plastic or near an open flame.
- Always wear rubber gloves, avoid inhalation.
- Apply with non-misting trigger for best results.

### Approvals

MAF Approved C31 (Fish Game Meat)

### Also Available in the Mr Muscle Product Range:

- **Mr Muscle Professional Crème Cleanser 5L**
