

Panclean

Pot & Pan Detergent

Panclean pot and pan detergent is powerful and concentrated to help clean the dirtiest pots and pans. The super concentrated formula quickly cuts through grease and food soil on pots, pans, plates, cutlery and glasses. Panclean is cost effective and fragrance free allowing it to be used in all areas without the risk of tainting items. This unique neutral formula is effective yet is mild on hands and is biodegradable.

Features and Benefits

- A highly concentrated heavy duty detergent specifically formulated for handwashing pots and pans, utensils and other equipment used in the preparation of food.
- High actives cut through dirt build up on pots and pans and other hard to clean items.
- Fragrance free, will not taint items.
- Neutral pH
- Biodegradable surfactants.
- Phosphate free.

Product Usage

Directions for Use:

1. Pour 3-6ml into 10 litres of warm-hot water.
2. Add additional Panclean if more lather is required especially for heavy soiling.
3. Should items require sanitising, rinse first with clean water then soak in J512.
4. Allow to air dry before returning to storage.
5. People with sensitive skin should wear gloves if regular contact with dilute solutions is expected.
