

Persil High Performance All Temperature

New Persil High Performance to give you outstanding results you can see...whatever the temperature.

Features

- Persil High Performance has been thoroughly tested in Fisher & Paykel's revolutionary 'Intuitive Eco'.
- Persil High Performance contains enzymes, which loosen the protein content in the soil for an easier, cleaner wash.
- Penetrates fibers to release ingrained dirt.
- Targets tough stains with active enzyme technology.
- Cleans odours deep down to leave freshness that lasts.
- Traps dirt in the wash so it rinses away clean
- Keeps whites bright and colours vibrant.
- All temperature stain removal.
- The surfactants in Persil are readily biodegradable.

Suitable for

- The professional user in Hotels, nursing and residential homes, catering and leisure establishments for outstanding wash results.
