

# Raid Commercial Insecticide – Fast Kill/Low Irritant Fly and Insect Killer

Raid Fast Kill/Low Irritant is formulated to kill flying insects without the risk of staining wood and fabrics.

## Features and Benefits

- A dry spray, which effectively kills flies, mosquitoes and other annoying insects.
- Because the formula is dry, there is no risk of staining wood and fabrics.
- The formulation is low irritant, so is less likely to cause discomfort to humans.
- It is an environmentally friendly spray as it does not contain ozone damaging CFC's (Chlorofluorocarbons).
- The can is environmentally friendly as it is able to be recycled once empty.

## Product Usage

### How to use Raid Fast Kill/Low Irritant

- Shake can well and spray 1-2 bursts in the direction of insects. For complete room treatment, close window and doors, then spray upward and around the room for 3-4 seconds.
- To kill crawling insects (cockroaches, ants, spiders, silverfish and fleas), spray directly onto insects.

## Approvals

NZ Pesticides Board No. 4512  
MAF Approved Type B (Fish Game Meat)

For further information on safe handling and storage, consult the Material Safety Data Sheet.
