

Snapback Maintainer

Snapback is a spray buff product that enhances the appearance of worn water based floor finishes. Snapback produces a brilliant gloss whilst removing scuffs, scratches and dirt in swing or cord electric buff floorcare systems.

Features and Benefits

- Snapback is a spray buff product used to improve the appearance of worn floors.
- Snapback can be used as a spray buff, as a polish restorer/cleaner.
- Snapback can be used through an automatic scrubbing machine, mopped on, or applied via a trigger sprayer.
- Snapback cleans and shines saving time and money by doing two jobs in one.
- Snapback does not build up with regular use.
- Snapback improves gloss whilst removing scuffs, surface scratches, ground in dirt and black heel marks.

Product Usage

Directions for Use:

SPRAY BUFF

1. Dust mop or sweep to remove dust or dirt.
2. Clean floor with a JohnsonDiversey cleaner diluted in cold water according to label directions. Allow floor to dry completely before spray buffing.
3. Spray a light mist of Snapback diluted 200ml per litre (1:4) with cold water onto the floor. Do not over wet the floor.
4. Buff the floor using an approved pad with a low speed swing machine.

Snapback

Maintainer

MOP AND BUCKET

1. Dust mop or sweep to remove dust or dirt.
2. Dilute 15ml per litre (1:60) of Snapback to cold water. Mop floor clean with Snapback. Pick up soil and excess cleaner with a tightly wrung-out cleaning mop. Do not rinse floor after cleaning.
3. Allow floor to dry completely.
4. For best appearance, burnish the floor with a high speed cord electric machine.

First Aid

In case of contact with eyes rinse thoroughly with large quantities of water for at least 15 minutes.

If swallowed do not induce vomiting. Drink milk or water. Seek medical attention.

See Material Safety Data Sheet for further information.
