

Neutral Cleaner

Available in Citrus and Floral fragrances.

*For daily use on floors,
walls, restrooms and other
washable surfaces.*

Several pack sizes available
with Green Seal certification.

One Step Cleaner

Non-alkaline formulation dries film-free. Does not need rinsing. Cleans nearly all washable surfaces.

Leaves The Shine...Will Not Dull Floor Finishes

Neutral pH, so it cleans without damage to the floors' protective coating.

Can Be Used In Auto Scrubbers, Mop And Bucket, And Trigger Sprayers

Low-foaming formula allows for less emptying of recovery tanks. Ideal for use in multiple maintenance programs.

Economical

Concentrated formulations deliver excellent cleaning performance for just pennies per diluted gallon (3.78 L).

Green Seal Certified

Several pack sizes meet Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential. See reverse side for details.

Clean is just the beginning

STRIDE[®] NEUTRAL CLEANER

Profile

WHAT IS IT?	A non-alkaline general purpose cleaner.
WHAT DO I USE IT ON?	Designed for use on most floor types, along with other washable surfaces, including ceramic, chrome and porcelain. Does not require rinsing and can be used in buckets, spray bottles or in automatic scrubbing machines because it is a low foaming product. Suitable for use in non-food processing areas.
HOW DO I USE IT?	Mop and Bucket Floor Cleaning: Dust mop or sweep floor. Fill, dilute or dispense product according to label directions. Mop floors. No rinsing is necessary. Automatic Scrubber Floor Cleaning: Dust mop or sweep floor. Fill, dilute or dispense product according to label directions. Clean and scrub floors. Trail mop machine turns, edges and low spots in the floor to pick up cleaning solution left behind by machine. Spray and Wipe Cleaning: Fill, dilute or dispense product according to label directions. Spray and wipe surfaces clean.
